

The listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims**

1. (currently amended): A bispecific antibody consisting essentially of two different antigen bindings sties, wherein the first antigen binding site specifically that binds TRAIL receptor 1 and the second antigen binding site specifically binds TRAIL receptor 2.
2. (original): A bispecific antibody of claim 1, wherein the antibody is a monoclonal antibody.
3. (original): A bispecific antibody of claim 1, wherein the antibody induces death in a target cell selected from the group consisting of a cancer cell and a virally-infected cell.
4. (original): A bispecific antibody of claim 2, wherein the antibody induces death in a target cell selected from the group consisting of a cancer cell and a virally-infected cell.
5. (original): A bispecific antibody of claim 3, wherein the target cell is a virally-infected cell.
6. (original): A bispecific antibody of claim 4, wherein the target cell is a virally-infected cell.
7. (original): A bispecific antibody of claim 3, wherein the target cell is a cancer cell.
8. (original): A bispecific antibody of claim 4, wherein the target cell is a cancer cell.
9. (original): A bispecific antibody of claim 7, wherein the cancer cell is selected from the group consisting of leukemia, lymphoma, melanoma, breast carcinoma, colon carcinoma, and colorectal cancer cells.
10. (original): A bispecific antibody of claim 8, wherein the cancer cell is selected from the group consisting of leukemia, lymphoma, melanoma, breast carcinoma, colon carcinoma, and colorectal cancer cells.
- 11-36. (cancelled)
